ANUSH ADHIKARI

Frontend Developer
Graphics Designer

About Me

I am a dedicated Frontend Developer with a keen eye for UI/UX design. Proficient in HTML, CSS, and JavaScript, I bring creativity and functionality to every project i undertake. My expertise extends to frameworks like React.js and Next.js, enabling me to craft dynamic and responsive web applications that engage users effectively. With a background in graphics design, I blend aesthetics with functionality to deliver visually appealing digital experiences. Passionate about pushing the boundaries of web development, I thrive in collaborative environments where innovation and problem-solving drive success.
